

D 100 45 G 4 Degree IP66

1 x Luxeon Rubix LED with 45 mm 4 degree lens

Exterior LED projector range

Up to 390 Lumens with 6,500 K 80 CRI
Up to 230 Lumens with 2,700 K 90 CRI

D100 IP66 Projector with 1 x high-power LED with 4° beam lens

Exterior LED projector range with integral LV DC to DC driver or remote AC to DC driver and extremely narrow beam

Product description:

The D100 IP66 projector range was developed for use in architectural, landscape and garden lighting applications, which require powerful, highly controlled lighting effects

Each projector comprises of: Luxeon Rubix LED with a Gaggione ultra-narrow beam lens system which produces a 4° spotlight beam

Integral louvre to control beam pattern. Lumen output can be 30% higher without louvre

Up to 4.8 Watts per 100mm module. Remote driver

Remote driver 1.6 Amps 3 Volts

Rotatable in two axes using the adjustable angle brackets. Other mounting brackets are also available including custom designs to meet project requirements

Dimming options available: 1-10V, DMX and DALI. Separate dimming channel

Various LED colour temperature and CRI options available

Satin black, satin white or any RAL paint colour finish

Custom anti-glare snoot or Honeycomb louvre accessories can be specified - ensuring excellent visual comfort

Low iron UV block glass covers or UV stable polycarbonate window
