

## Euclid 60 WE In-Ground IP 67 System

Buried, DMX controlled, dynamic LED effect lighting system IP67 for custom built-in architectural details

### Euclid 60 WE In-Ground IP 67 System

The Euclid 60 In-Ground WE System IP67 is an inground linear LED effect lighting system, developed for use in exterior wall grazing architectural and landscape lighting applications that require customisable, decorative, dynamic lit-effects.

#### Product description:

Each luminaire incorporates a linear textured glass panel optic, with cluster arrays of 8 x LEDs spaced at a pitch of 150mm between the center of each array. Each LED cluster is driven by one or two LV multi-channel DMX drivers. These can all be customised to create decorative, dynamic lit-effects tailored to suit project requirements.

The system does not rely on any moving parts and the LEDs are not run at full power for most of the dimming sequence, giving a long working life of up to 100,000 hours.

Each luminaire can be run at up to 60 Watts per mtr, providing up to 3,000 lumens per mtr, depending on the mix of LED colours and colour temperatures and the textured glass used. The lumen output varies during the dimming control sequence.

Custom lengths based on a 150mm module up to 1.5 Mtrs.

Walk over rated low iron glass window. Anti slip details can be applied to the window.

Various LED colours, colour temperatures and CRI options available. The colour / CCT of each LED can be specified.

A hard-anodized finish option provides long-lasting corrosion resistance. The stainless steel bezel can be supplied with a brushed finish or powder coated any RAL colour.

Up to 3,000 Lumens per Mtr

Product Code	IP	LED Type	LED Colour or white LED Colour Temp.(K)	CRI	Optics	Bezel	Finish
EUCLID 60 WE IP67 IN - GROUND	67	LUMILEDS: 8x LUXEON Z or CZ LEDs - custom combinations or white or colour LEDs can be specified	Specify colour / colour temp. for each of the 12 LEDs in the LED cluster array:	70 80 90	Textured glass: Ripple Pebble Custom	Flat Chamfered	Stainless steel bezel: Polished black White Any RAL-colour
